Great 100 Alumni Association
Membership

On behalf of the Great 100 Alumni Association, I would like to personally invite each past recipient of the Great 100 to join the alumni association. The purpose of the alumni association is to raise scholarship monies for nursing students in undergraduate, graduate and doctorate programs. Your membership dues will be used directly to support scholarships and indirectly to raise money by selling Great 100 promotional items and to support the silent auction at the Great 100 Gala. The Alumni Association works in conjunction with the Great 100, Inc. Board and the Steering Committee. Please take advantage of this opportunity to support future nurses and nursing leaders in their pursuit of education.
